### Softball Teams In Another Deadlock In Title Playoffs

CARTERET When two teams play to a deadlock in a championship game that is something. But when they do for the second straight time in three days, that's one for the books.

Well, the Price's and the Academy tossers played to another tie, this time by a 7-7 score, in the second game of their playoffs Wednesday evening before a big crowd at Leibig's Field.

As a result the teams are exactly where they started and the third game of the series will be played tonight at Leibig's Field, with a fourth on Monday and a fifth if necessary, next Wednesday.

This time it was the Academy tossers who pulled the game out of the bag by scoring four runs in the seventh inning to come from behind and tie the count. Bill Sloan, who replaced Len Potts, halted the rally.

Frankowski and Sloan each got three hits.
